## PRESS RELEASE

### **NATIONAL CEREALS AND PRODUCE BOARD (NCPB) PARTNERS WITH UNGA FARM CARE (EA) LTD TO ENABLE FARMERS ACCESS HIGH-QUALITY ANIMAL FEEDS**

**(Nairobi 11<sup>th</sup> February 2022)** The National Cereals and Produce Board has signed a contract with Unga Farm Care (EA) Ltd to facilitate easy access of high-quality animal feeds by farmers in Kenya through the Board's warehouse at Eldoret.

“This collaboration is aligned to the agriculture hub model that NCPB is establishing under the Reforms. The hub shall provide a one stop shop for farmers to obtain agricultural inputs, farm machinery, agricultural advisory services, post-harvest management services, among other services”, said the Managing Director of NCPB, Mr J. Kimote. “This collaboration will support farmers in improving animal husbandry leading to better incomes as well as supporting the country to achieve the goals of the Food and Nutrition Security Pillar of the Big Four Agenda”. He added.

Unga Farm Care (EA) Limited is the region's leading manufacturer and marketer of a broad portfolio of quality Animal Nutrition and Health products. This portfolio includes livestock feeds, cattle minerals, feed premixes & concentrates among others.

“This partnership will enable us improve distribution of our range of products by taking a distribution point closer to our farmers. This will ensure consistent availability of our products to farmers in the region” said the General Manager Unga Farm Care (E.A) Limited.
